Respect third-party rights

Please be aware that it is against Fiverr's policies for sellers to include themes, templates, or any other elements that infringe third-party rights or applicable laws in the delivered work. Read more about in our [Guide to Responsible Digital Creation](#).

FAQ

Do you provide hosting and domain?

Will my website be mobile-friendly?

Do you upload content for me?

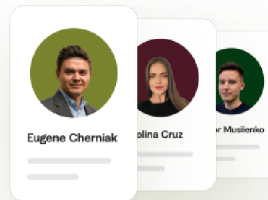

How many plugins/extensions are included?

Get the right freelancer, **without the search**

We'll handle the sourcing, interviewing, and vetting so you don't have to.
